Mykola Leontovych
(1877 - 1921)

Shchedryk
Carol of the bells

Arrangement Jonny Raper

Performed by Panavanti
November, 2020

Leontovych was a Ukrainian composer of mostly choral works. He is most well known outside the Ukraine for his 1904 piece "Shchedryk", or *Carol of the Bells*. It has long been a festive favourite and has been arranged hundreds of times for every possible ensemble. Carol of the bells was famously used to great effect in the 1990 hit movie *Home Alone*.
