Erik Satie
(1866 – 1925)

Gymnopédie

Arrangement Jonny Raper

Performed by Panavanti
December, 2020

In 1888, the eccentric French composer Erik Satie published three short, atmospheric piano solos called Gymnopédies. The first, marked *Lent et douloureux*, is perhaps one of the most famous piano solos penned during the late Romantic era. The haunting melody fits perfectly the peaceful timbre of the alto flute.
